Takeaways

Here are a few tips for getting your products ready:

- Use this [cheat sheet](#) to help you decide if your product is ready for production.
- Please use the [product template](#) to prep your products for the site.
- Third Way follows **MLA Style**.
- Endnotes are formatted in MLA style.
- Don't add endnotes inside graphics or embeds (Tableau or Datawrapper).
- [Watch this video](#) to learn about the production template.

🗨️ **OUTLOOK:** Wary. The tremendous benefit AI could mean for workers and society will require changes in policies and behaviors at the government and business level.

💬 **QUOTE:** The first key ingredient that we argue for technological advances translating into something resembling shared progress is that their direction should not be just automation, or sidelining humans... The future of the labor movement is open. We are convinced you need workers' voices. It is not good when AI regulation is discussed by senators and the CEOs of the chief tech companies and nobody else.*

RIP Medicaid

RIP Medicare

RIP Reproductive Care

RIP ACA

TRUMP'S HEALTH CARE PLAN

Trump's plan to slash Medicaid would mean:

- **22 million** low-income people would lose Medicaid coverage.
- **69 million** people on Medicaid could lose access to critical services.
- **Over 500** rural hospitals could close.
- States could impose onerous work requirements on **millions** of Medicaid recipients.
