# College Completion Day 101

*Emmi Navarro, Deputy Director of Education Communications, **Romelo Wilson**, Education Communications Advisor, **Michelle Dimino**, Director of Education*

Did you know that colleges and universities fail to graduate 40% of all the students that they enroll? Since 2022, we've been celebrating College Completion Day to uplift the graduating class and advocate for investments in completion and retention. We must ensure that students get through, not just to, college. Learn more at [www.college-completion.com](http://www.college-completion.com).
